

Dear Friends of Sussex/Lisbon Communities,

The **Sussex Lions Club** is a community-oriented organization. **Our major fundraiser** each year is **Lions Daze** at the Sussex Village Park. The money raised is used to support the efforts of the Wis. Lions Foundation and to help our Sussex community.

The Lions are dedicated to preserving eyesight, combating disability, promoting health, and serving youth. Listed below are **some** of the projects and organizations we have supported throughout the years. With the help of people just like you our club will continue to make our community a better place to live for years to come.

**The Sussex Lions Club has raised and donated  
Over \$1,500,000.  
Over \$1,000,000 of it stayed right here  
in the Sussex Area.**

Unlike many charitable organizations, **every dollar** we raise through our fundraisers goes back to the public. The administration cost of our club is financed through the dues that each Lions Member pays.
